Alive Credit Union: Many More Locations Coming Soon

Rose Gunter

As a cooperative, your credit union collaborates with other credit unions to enhance member service and convenience, decrease costs and increase service delivery channels. We enjoy working within our industry's cooperative framework and welcome

the ensuing benefits to everyone involved especially our members.

An excellent example of the value derived is our partnership with other credit unions in the CU24 CUHERE network. Through this reciprocal program, CUHERE ATM owners don't surcharge your transactions at their ATMs and likewise we don't surcharge their members.

These nationwide ATMs can be found through the surcharge-free ATM locator on our website at alivecu.coop.

Joint credit union efforts are also frequently used to combine marketing resources, educate staff and share best practices with our peers. Credit unions are all about helping people and each other prosper.

In the next few months, we will be offering a new cooperative service that will provide you with even greater access to your credit union, whether you are near or far from home. Around mid-December, watch for more information on how you can transact your credit union business at thousands of locations nationwide.

Credit unions - don't you love them?

Comprehensive ID Theft Protection

NEW SERVICE

We are proud to announce comprehensive identity theft protection you can count on. When it comes to protecting your identity, IdentitySecure® helps cover all the bases. This program provided by Trilegiant for Alive members helps you combat all the key methods thieves can use to take control of your good name and your credit for only \$8.95 a month - just pennies a day. From providing advanced safeguards against financial fraud to giving you more control over your credit records, IdentitySecure gives you valuable fraud protection for your peace-of-mind.

Activate this advanced comprehensive protection, so you're never alone in the fight to protect your identity against fraud and theft. To learn more about IdentitySecure, stop by your local branch, call 904.296.1292, or visit alivecu.coop today!

All IdentitySecure services and benefits are provided by Trilegiant Corporation in conjunction with Trilegiant Insurance Services, Inc. and Alliance Marketing Association. Trilegiant Insurance Services, Inc. does not receive any compensation from the sale of the identity theft insurance benefit included as part of the IdentitySecure service. Any part of the IdentitySecure service may be modified or improved at any time and without prior notice. IdentitySecure is a registered service mark of Trilegiant Corporation. IdentitySecure monitors up to ten registered credit/debit cards, up to ten registered bank accounts, and your Social Security number on the Internet, based on an extensive search of directories and internet chat rooms; however, it is impossible to ensure that all directories and internet chat rooms have been searched for your personal information. Accordingly, your monitoring alert reports may not contain or apprise you of all your personal information that is publicly available or that may have been compromised. ¹If you do not access a copy of your credit report and CreditXpert® credit score through the IdentitySecure website within 7 days of your enrollment in IdentitySecure, a copy of your credit report and CreditXpert® credit score will be sent to you by IdentitySecure by first-class U.S. Mail. ²Daily monitoring will notify you of any new inquiries, certain derogatory information, accounts, public records, or change of address that have been added to your credit report as reported by any of the major credit reporting agencies. If no information has been added or changed, then you will receive a quarterly notification stating that no information has changed within your credit file. ³The Identity Theft Insurance is underwritten by insurance company subsidiaries or affiliates of Chartis Inc. (collectively, the "Company") under group policy # 7077733 for non-New York State Insureds and # 1423212 for New York State Insureds. The Benefit Summary under the master policy issued by the Company with respect to such insurance will be available to you upon enrollment in the program. The summary of policy benefits, terms, conditions, exclusions, and limits of coverage set forth in the Benefit Summary are subject to the terms of the master policy. Availability of coverage is subject to underwriting qualifications and state laws and regulations. Coverage is subject to actual policy language.

WHY WOULD CONGRESS RAISE TAXES ON 96 MILLION AMERICANS?

Alive Credit Union is owned and directed by you. Unlike banks that maximize profits for a small group of investors, credit unions exist to serve members, including working families, small businesses, and our local communities. Because we return benefits to our members, we're able to offer higher returns on savings and lower loan rates and fees. That's why we're not-for-profit and tax exempt. Don't let Congress take this away!
